**Project Manager**

Francisco Mira (180888)

**User-research Lead**

Francisco Cecílio (189444)

**Design Lead**

Isabel Soares (189466)

**Front-end Developer**

Lídia Custódio (189492)

**Back-end Developer**

Ricardo Machado (179751)

**Documentation Lead**

Filipe Amaral (424759)

# Project Idea

- Recommendation system
- Avoid crowds
- Create a path that goes through the places you want to go
- Applied in enclosed spaces: zoos, shopping malls, museums, amusement parks...
